At last some good news!!

Hi Paul, I just wanted to say hi from Billy and I, who is now 9 months old, crawling, eating and making us laugh as we see more of his personality! Here he is enjoying his pancakes on Shrove Tuesday. After a busy year, including a house move, we are looking forward to seeing Rotary friends over the coming months now

things have started to settled down somewhat. Thanks to you and the Committee members for keeping us updated with Rotary business in between. Lisa

Dragons Getting Ready to Roar

Well it's all systems go again at Dragon Boat Central.

Invitations to participate have been sent out. Bookings have been received and many promises to compete have been made.

Slightly concerning is that the promises to compete far outnumber the actual bookings!

No change to normal then.

Of equal concern at the moment is the frustration that we're feeling in trying to sort out what we have to do with regards to insurance and I have to thank President Richard for trying to tackle this problem on behalf of the committee. That'll teach him to be Compliance Officer! Seriously though- it's very stressful.

We're further encountering issues with Himley and Dudley Council in their new pricing structure. At the time of writing, it's still work in progress with negotiations taking place shortly.

I am sure it will be, as they say, alright on the night- or words to that effect and at least we will have an event this year. Our first since 2019. Were looking forward to it very much.

More information will follow and the event will take place on Sunday May 22nd in mind-

Mike Boyce
